ASSOCIATION

## ***Who We Are***

We strongly believe that participation in co-curricular activities enhances a student's education and helps develop the total individual. The EPHS Booster Association raises money through Corporate sponsorships, donations and more.

## ***What We Do***

Through EPHS Boosters Association fundraising and with the support of sponsors, we are able to give tens of thousands of dollars each year back to Student Activities, ensuring students continue to have 50+ co-curricular activities and clubs to choose from.

## ***Honoring Sponsors***

Corporate and family sponsors provide financial support and are publicly honored for their community spirit on our Video Display Board, website, activity center banners, and on 25,000 EPHS Booster Association program covers that are distributed at conference sporting events!
